Hi Aaron,

I hope you're doing great. Got a quick updated from BSL...

"Hi Sahag,

We have investigated the lights out today and believe we identified the problem. We have scheduled a circuit clearance with DWP tomorrow and will work on the issue. Our goal for tomorrow is to get as many lights up as we can and then continue with the remaining work the week after.

I should have another update for your tomorrow.

Thanks,  
Robert"

Hi Sahag,

I guess the street lights on the southside of Magnolia between Lankershim and Vineland are still out.  
Did you find anything out from BSL on it?

Thanks,  
Aaron
